IMPORTANT NOTICE

This Information Memorandum (together with any supplementary information memorandum and information incorporated herein or therein by reference, the "**Information Memorandum**") contains summary information provided by Ferrovie dello Stato Italiane S.p.A. (the "**Issuer**") in connection with a euro-commercial paper programme (the "**Programme**") under which the Issuer may issue and have outstanding at any time euro-commercial paper notes (the "**Notes**") up to a maximum aggregate amount of €2,000,000,000.00 or its equivalent in alternative currencies. Under the Programme, the Issuer may issue Notes outside the United States pursuant to Regulation S ("**Regulation S**") of the United States Securities Act of 1933, as amended (the "**Securities Act**"). The Issuer has, pursuant to a dealer agreement dated 27 October 2023 (the "**Dealer Agreement**"), appointed Crédit Agricole Corporate and Investment Bank and ING Bank N.V. as arrangers for the Programme (the "**Arrangers**"), and together with the Arrangers, Barclays Bank Ireland PLC, Bank of America Europe DAC, Intesa Sanpaolo S.p.A. and Société Générale as dealers for the Notes (together with any additional institution(s) appointed from time to time as dealers for the Notes pursuant to the Dealer Agreement, the "**Dealers**"), and authorised and requested the Dealers to circulate the Information Memorandum in connection with the Programme on their behalf to purchasers or potential purchasers of the Notes.

THE NOTES HAVE NOT BEEN AND WILL NOT BE REGISTERED UNDER THE UNITED STATES SECURITIES ACT OF 1933 AS AMENDED (THE "SECURITIES ACT") OR ANY U.S. STATE SECURITIES LAWS AND MAY NOT BE OFFERED, SOLD OR DELIVERED WITHIN THE UNITED STATES OR TO, OR FOR THE ACCOUNT OR BENEFIT OF, U.S. PERSONS (AS DEFINED IN REGULATION S UNDER THE SECURITIES ACT ("REGULATION S")) ("U.S. PERSONS") UNLESS AN EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT IS AVAILABLE AND IN ACCORDANCE WITH ALL APPLICABLE SECURITIES LAWS OF ANY STATE OF THE UNITED STATES AND ANY OTHER JURISDICTION.

The Notes have not been approved or disapproved by the United States Securities and Exchange Commission or any other securities commission or other regulatory authority in the United States, nor have the foregoing authorities approved this Information Memorandum or confirmed the accuracy or determined the adequacy of the information contained in this Information Memorandum. Any representation to the contrary is unlawful.

In accordance with the Short-Term European Paper ("**STEP**") initiative, this Programme has been submitted to the STEP Secretariat in order to apply for the STEP label in respect of Notes to be issued with a maturity of not more than 364 days from and including the date of issue. The status of STEP compliance of this Programme can be determined from the STEP market website (www.stepmarket.org).

The Issuer has confirmed to the Arrangers and the Dealers that the information contained or incorporated by reference in the Information Memorandum is true and accurate in all material respects and not misleading in any material respect and that there are no other facts the omission of which makes the Information Memorandum as a whole or any such information contained or incorporated by reference therein misleading in any material respect.

None of the Issuer nor the Arrangers or Dealers accept any responsibility, express or implied, for updating the Information Memorandum and neither the delivery of the Information Memorandum nor any offer or sale made on the basis of the information in the Information Memorandum shall under any circumstances create any implication that the Information Memorandum is accurate at any time subsequent to the date thereof with respect to the Issuer and its Group (as defined below) or that there has been no change in the business, financial condition or affairs of the Issuer and its Group since the date thereof.

No person is authorised by the Issuer to give any information or to make any representation not contained in the Information Memorandum and any information or representation not contained therein must not be relied upon as having been authorised.

No Arranger or Dealer has independently verified the information contained in the Information Memorandum. Accordingly, no representation or warranty or undertaking (express or implied) is made, and no responsibility or liability is accepted by the Arrangers or the Dealers as to the authenticity, origin, validity, accuracy or completeness of, or any errors in or omissions from, any information or statement contained in the Information Memorandum or in or from any accompanying or subsequent material or presentation.

The information contained in the Information Memorandum is not and should not be construed as a recommendation by the Arrangers or the Dealers, or the Issuer that any recipient should purchase Notes. Each such recipient must make and shall be deemed to have made its own independent assessment and investigation of the financial condition, affairs and creditworthiness of the Issuer and its Group and of the Programme as it may deem necessary and must base any investment decision upon such independent assessment and investigation and not on the Information Memorandum.

No Arranger or Dealer undertakes to review the business or financial condition or affairs of the Issuer and/or its Subsidiaries from time to time¹ (the "**Group**") during the life of the Programme, nor undertakes to advise any recipient of the Information Memorandum of any information or change in such information coming to any Dealer's attention.

In particular, but without limitation, such persons are required to comply with the restrictions on offers or sales of Notes and on distribution of this Information Memorandum and other information in relation to the Notes and the Issuer as set out under "**Selling Restrictions**" below.

No application will be made at any time to list the Notes on any stock exchange. 	<p>the structures, resources, knowledge and skills employed in the sectors considered above or (ii) the assets owned or used for the performance of the activities referred to in this article.</p>
<p>Brief description of current activities:</p>	<p>FS is the holding company of the Italian railway group, which is active in the field of passenger and freight transport (mainly by rail) and related services. Among other things, FS controls the railway infrastructure manager RFI, the road infrastructure manager ANAS as well as the railway undertaking Trenitalia, which are subsidiaries of FS.</p> <p>EC Directive 91/440/EEC on the development of railways (subsequently amended by EC Directive 2001/12/EC of 26 February 2001) as implemented by D.P.R. 8 July 1998 n. 277 and Legislative Decree 8 July 2003 n. 188, established the guidelines for the restructuring of the Italian national rail system. These EC Directives emphasised the need to separate rail infrastructure management from the provision of transport services. Following these legislative developments, the Group initiated a reorganisation program in 1998 by creating the infrastructure division. In May 1999, the Group set up three additional divisions to manage the medium and long-distance passenger transport, freight transport and local transport. The reorganization continued with the establishment in June 2000 of Trenitalia, a passenger and freight transport company, which was completed on 1 July 2001. Since 2001, infrastructure maintenance (through RFI) and railway undertakings (through Trenitalia) have operated as separate companies within the Group.</p> <p>As of 30 June 2023, the Group is organized into the following operating segments, each of which is carried out by certain key subsidiaries:</p> <p>a) The Passenger business segment, which accounted for 46% of the Group's revenues net of "Adjustments and Eliminations Operating Segments" as of 30 June 2023, is to create a multi-modal business offer that has the advantage of exploiting the strengths of each mode for integrated, affordable and sustainable transport services that are increasingly customised and respond to individual passengers' needs in accordance with the principles of environmental, social and governance sustainability. This segment includes the Group companies that operate road, rail and maritime passenger transport, largely represented by the 100% owned subsidiary, Trenitalia.</p>

	<p>b) The infrastructure services segment, which accounted for 41% of the Group's revenues net of "Adjustments and Eliminations Operating Segments" as of 30 June 2023, designs, builds, manages and maintains the national rail network, both high speed and conventional lines, and national road and motorway network through the 100% owned subsidiaries, respectively, RFI and ANAS.</p> <p>c) The logistics segment's mission, which accounted for 7% of the Group's revenues net of "Adjustments and Eliminations Operating Segments" as of 30 June 2023, is to double the share of freight carried by rail in 2019 and drive the evolution of its position in the logistics chain, so that it does not merely play a role in certain segments only, but can become a genuine player in multi-modal logistics, including partnerships. Mercitalia Logistics is the Group's main logistics company and the head of this segments.</p> <p>d) The urban segment, which accounted for 1% of the Group's revenues net of "Adjustments and Eliminations Operating Segments" as of 30 June 2023, handles real estate operations as well as urban regeneration and intermodal transport and logistics solutions for the first and last mile of the supply chain. It focuses specifically on developing the potential of the Group's real estate assets through new partnerships and projects that contribute to urban regeneration and includes the companies (primarily FS Sistemi Urbani) that deal with management and enhancement of the property assets of the Group.</p> <p>e) The other services segment, which accounted for 5% of the Group's revenues net of "Adjustments and Eliminations Operating Segments" as of 30 June 2023, manages other Group services including financial and administrative services.</p> <p>Since the beginning of the Russia – Ukraine conflict in 2022, financials and economic sanctions imposed by the European Union, the U.S. and the UK, have been implemented in various ways to constrain transactions with numerous Russian entities and individuals; transactions in Russian sovereign debt; and investment, trade, and financing to, from, or in certain regions of Ukraine (the "Russian Sanctions").</p> <p>The Issuer has carried out a deep analysis within the Group in order to ascertain whether any companies of the Group</p>
--	--

have business activity in Russia which could trigger the Russian Sanctions. The outcome of this analysis is that no activity prohibited by applicable Russian Sanctions is carried out in such country. In that respect, for sake of completeness, three companies of the FS Group are located in Russia and are indirectly controlled by Anas S.p.A. (fully owned subsidiary of the Issuer) through Anas International Enterprise S.p.A. in liquidazione (which has been put into liquidation by the extraordinary shareholders' meeting held on 23 June 2023) which holds 51% of a Russian company named AIE RUS LLC ("**AIE RUS**"). In turn, AIE RUS holds (a) 51% of the Russian company RIC – Road Investment Company ("**RIC**"), which has the concession for the restructuring of the Russian highway M4 which connects Rostov/Don with Krasnodar, and (b) 40% of the Russian company UO – United Operator ("**UO**" and, together with AIE RUS and RIC, the "**Russian Companies**"), which is in charge of the maintenance of such highway for RIC.

As at 31 December 2022, the overall revenues of the activities of the Group directly or indirectly related to the Russia Federation constitute less than 0.5% of the total revenues of the Group (applying the EUR/RUB exchange rate of 6 April 2023). In addition, with reference to the Russian Companies, such entities are not financed directly or indirectly by the Issuer and do not transfer, directly or indirectly, funds and/or assets to the Issuer itself. Moreover, no funds are transferred, directly or indirectly, by the Issuer to such entities.

None of the activities of the FS Group directly or indirectly related to the Russian Federation are such as to create a breach by the Issuer of the Russian Sanctions legislation either due to the lack of subjective requirement or because the relevant activity/relationship is not forbidden, in each case under such legislation.

Regarding the overall context described above, further to consultations with its external advisors, and taking into account the potential implications under Russian law, the agreements and relationships that the Issuer has in place with banks and financial institutions, as well as the reputational impacts on the Group and the dialogue with its stakeholders, the Issuer: (i) has decided not to undertake any new activities/initiatives in Russia; and (ii) is seeking possible exit strategy relating to the activities in Russia, notwithstanding that such activities are strongly limited in scope and have a negligible impact on Group revenues.

Capital or equivalent:	Issuer's share capital is equal to Euro 39,204,173,802.00, consisting entirely of ordinary shares with a par value of Euro 1 each.																
List of main shareholders:	The Issuer is a wholly owned subsidiary of the Italian Ministry of Finance (<i>Ministero dell'Economia e delle Finanze</i> or MEF).																
Listing of the shares of the Issuer:	Not applicable.																
Composition of governing bodies and supervisory bodies:	As at the date of this Information Memorandum, the composition of the Issuer's Board of Directors and Board of Statutory Auditors is as set out below:

2.	<p style="text-align: center;">CONFLICTS OF INTEREST OF THE DEALERS</p>
	<p>Certain of the Dealers and their affiliates have engaged, and may in the future engage, in lending, advisory, investment banking and/or commercial banking transactions, corporate finance services and other related transactions with the Issuer and its affiliates in the ordinary course of business. In addition, in the ordinary course of their business activities, the Dealers and their affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers. Such investments and securities activities may involve securities and/or instruments of the Issuer or Issuer's affiliates. Certain of the Dealers or their affiliates that have a lending relationship with the Issuer routinely hedge their credit exposure to the Issuer consistent with their customary risk management policies. Typically, such Dealers and their affiliates would hedge such exposure by entering into transactions which consist of either the purchase of credit default swaps or the creation of short positions in securities, including potentially the Notes issued under the Programme. Any such short positions could adversely affect future trading prices of Notes issued under the Programme. The Dealers and their affiliates may also make investment recommendations and/or publish or express independent research views in respect of such securities or financial instruments and may hold, or recommend to clients that they acquire, long and/or short positions in such securities and instruments. For the purpose of this paragraph the term "affiliates" also includes parent companies.</p>

New Global Note intended to be held in a manner which would allow Eurosystem eligibility [Yes / No / Not Applicable]

[Note that the designation "yes" means that the Notes are intended upon issue to be deposited with Euroclear Bank SA/NV or Clearstream Banking S.A. as common safekeeper and does not necessarily mean that the Notes will be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem either upon issue or at any or all times during their life. Such recognition will depend upon the European Central Bank being satisfied that Eurosystem eligibility criteria have been met.]

[Whilst the designation is specified as "no" at the Issue Date, should the Eurosystem eligibility criteria be amended in the future such that the Notes are capable of meeting them, the Notes may then be deposited with Euroclear Bank SA/NV or Clearstream Banking S.A. as common safekeeper. Note that this does not necessarily mean that the Notes will then be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem at any time during their life. Such recognition will depend upon the European Central Bank being satisfied that Eurosystem eligibility criteria have been met.]

All such payments shall be made upon presentation and surrender (as the case may be) of this Global Note to the bearer through Euroclear Bank SA/NV, Clearstream Banking S.A. or any other relevant clearing system, or, if this Global Note has been exchanged for bearer definitive Notes pursuant to paragraph 8 by transfer to an account denominated in the Specified Currency maintained by the bearer with (a) a bank in the principal financial centre in the country of the Specified Currency or (b) if this Global Note is denominated or payable in euro, by transfer to a euro account (or any other account to which euro may be credited or transferred) maintained by the payee with, a bank in the principal financial centre of any member state of the European Union.

In that event, the Issuer shall, to the extent permitted by applicable law or regulation, pay such additional amounts as shall be necessary in order that the net amounts received by the bearer of this Global Note after such deduction or withholding shall equal the amount which would have been receivable hereunder in the absence of such deduction or withholding, except that no such additional amounts shall be payable:
 - (a) where this Global Note is presented for payment in the Republic of Italy; or
 - (b) where this Global Note is presented for payment by or on behalf of a holder which is liable to such Taxes by reason of its having some connection with the jurisdiction imposing the Taxes other than the mere holding of this Global Note; or

6. The payment obligation of the Issuer represented by this Global Note constitutes and at all times shall constitute a direct and unsecured obligation of the Issuer ranking at least *pari passu* with all present and future unsecured and unsubordinated obligations of the Issuer other than obligations mandatorily preferred by law applying to companies generally.
7. The Notes may be redeemed before the scheduled Maturity Date in the following cases:
 - (a) at the choice of the Issuer if "Call Option Right" is specified as applicable in the relevant Notes and the Issuer decides to exercise such right, it being understood that the redemption amount of each Note so redeemed will be in any case not lower than the nominal amount of such Note; and/or
 - (b) at the choice of the holder if "Put Option Right" is specified as applicable in the relevant Notes and the holder decides to exercise such right,

in each case subject to, and in accordance with, the provisions set forth as follows and provided that any such early redemption shall not occur before 1 month after the Issue Date.

In order to exercise the option, the holder of this Global Note must within the Put Option Redemption Period specified above deliver to or to the order of the Issuing and Paying Agent a put option notice (a "**Put Option Notice**") in the form obtainable from the Issuing and Paying Agent. A Put Option Notice, once duly completed, signed and delivered to the Issuing and Paying Agent, shall be irrevocable and shall oblige the Issuer to redeem this Global Note on the Put Option Redemption Date specified in the Put Option Notice at the relevant Put Option Redemption Amount per Denomination specified above together with accrued interest (if any) to the relevant Put Option Redemption Date.

8. This Global Note is negotiable and, accordingly, title hereto shall pass by delivery and the bearer shall be treated as being absolutely entitled to receive payment upon due presentation hereof free and clear of any equity, set-off or counterclaim on the part of the Issuer against any previous bearer hereof.
9. This Global Note is issued in respect of an issue of Notes of the Issuer and is exchangeable in whole (but not in part only) for duly executed and authenticated bearer

Notes in definitive form (whether before, on or, subject as provided below, after the Maturity Date):

- (b) if default is made in the payment of any amount payable in respect of this Global Note.

Upon presentation and surrender of this Global Note during normal business hours to the Issuer at the offices of the Agent (or to any other person or at any other office outside the United States as may be designated in writing by the Issuer to the bearer), the Agent shall authenticate and deliver, in exchange for this Global Note, bearer definitive notes denominated in the Specified Currency in an aggregate nominal amount equal to the Nominal Amount of this Global Note.

- 10. If, upon any such event and following such surrender, definitive Notes are not issued in full exchange for this Global Note before 5.00 p.m. (Luxembourg time) on the thirtieth day after surrender, this Global Note (including the obligation hereunder to issue definitive notes) will become void and the bearer will have no further rights under this Global Note (but without prejudice to the rights which the bearer or any other person may have under a deed of covenant dated 27 October 2023 (as amended, restated or supplemented as of the Issue Date) entered into by the Issuer).
- 11. If this is an interest bearing Global Note, then:
 - (a) notwithstanding the provisions of paragraph 1 above, if any payment of interest in respect of this Global Note falling due for payment prior to the Maturity Date, the Call Option Redemption Date, or the Put Option Redemption Date (as the case may be) remains unpaid on the fifteenth day after falling so due, the Nominal Amount shall be payable on such fifteenth day;
 - (b) (i) if this Global Note is not a New Global Note, upon each payment of interest (if any) prior to the Maturity Date, the Call Option Redemption Date, or the Put Option Redemption Date (as the case may be) in respect of this Global Note, the Schedule hereto shall be duly completed by the Agent to reflect such payment; or (ii) if this Global Note is a New Global Note, upon each payment of interest (if any) prior to the Maturity Date, the Call Option Redemption Date, or the Put Option Redemption Date (as the case may be) in respect of this Global Note details of such payment shall be entered pro rata in the records of the ICSDs;
 - (c) payments due in respect of Notes for the time being represented by this Global Note shall be made to the bearer of this Global Note and each payment so made will discharge the Issuer's obligations in respect thereof. Any failure to make the entries referred to in sub-paragraph (b) above shall not affect such discharge; and

- (d) if no Interest Payment Dates are specified on this Global Note, the Interest Payment Date shall be the Maturity Date, the Call Option Redemption Date, or the Put Option Redemption Date (as the case may be).
12. If this is a fixed rate interest bearing Global Note, interest shall be calculated on the Nominal Amount as follows:
- (a) interest shall be payable on the Nominal Amount in respect of each successive Interest Period (as defined below) from the Issue Date to the Maturity Date, the Call Option Redemption Date, or the Put Option Redemption Date (as the case may be) only, in arrear on the relevant Interest Payment Date, on the basis of the actual number of days in such Interest Period and a year of 360 days or, if this Global Note is denominated in Sterling, 365 days at the Fixed Interest Rate with the resulting figure being rounded to the nearest amount of the Specified Currency which is available as legal tender in the country or countries (in the case of the euro) of the Specified Currency (with halves being rounded upwards); and
 - (b) the period beginning on (and including) the Issue Date and ending on (but excluding) the first Interest Payment Date and each successive period beginning on (and including) an Interest Payment Date and ending on (but excluding) the next succeeding Interest Payment Date is an "**Interest Period**" for the purposes of this paragraph.
13. If this is a floating rate interest bearing Global Note, interest shall be calculated on the Nominal Amount as follows:
- (a) In the case of a Global Note which specifies GBP-SONIA as the Floating Rate Option on its face, the Rate of Interest will be the aggregate of the SONIA Floating Rate and the Margin (if any) above or below the SONIA Floating Rate. Interest will be payable on the Nominal Amount in respect of each successive Interest Period (as defined below) from the Issue Date to the Maturity Date, the Call Option Redemption Date, or the Put Option Redemption Date (as the case may be) only, in arrear on the relevant Interest Payment Date.

As used in this Global Note:

"SONIA Floating Rate" means, with respect to an Interest Period, the rate determined by the Calculation Agent on the relevant SONIA Interest Determination Date by applying the formula set out in the specified Overnight Rate Compounding Method or Overnight Rate Averaging Method, as applicable, where the Underlying Benchmark is SONIA, and the resulting percentage is rounded, if necessary, in accordance with the 2021 ISDA Definitions, but to the nearest percentage point specified for GBP-SONIA in the Compounding/Averaging Matrix; and

"SONIA Interest Determination Date" means the number of Applicable Business Days, Observation Period Shift Business Days or Lockout Period Business Days, as applicable, as specified on the face of this Global Note prior to the last day of the Interest Period;

- (b) in the case of a Global Note which specifies USD-SOFR as the Floating Rate Option on its face the Rate of Interest will be the aggregate of the SOFR Floating Rate and the Margin (if any) above or below the SOFR Floating Rate. Interest will be payable on the Nominal Amount in respect of each successive Interest Period (as defined below) from the Issue Date to the Maturity Date, the Call Option Redemption Date, or the Put Option Redemption Date (as the case may be) only, in arrear on the relevant Interest Payment Date.

As used in this Global Note:

"SOFR Floating Rate" means, with respect to an Interest Period, the rate determined by the Calculation Agent on the relevant SOFR Interest Determination Date by applying the formula set out in the specified Overnight Rate Compounding Method or Overnight Rate Averaging Method, as applicable, where the Underlying Benchmark is SOFR, and the resulting percentage is rounded, if necessary, in accordance with the 2021 ISDA Definitions, but to the nearest percentage point specified for USD-SOFR in the Compounding/Averaging Matrix; and

"SOFR Interest Determination Date" means the number of Applicable Business Days, Observation Period Shift Business Days or Lockout Period Business Days, as applicable, as specified on the face of this Global Note prior to the last day of the Interest Period;

- (c) in the case of a Global Note which specifies EUR-EuroSTR as the Floating Rate Option on its face the Rate of Interest will be the aggregate of the ESTR Floating Rate and the Margin (if any) above or below the ESTR Floating Rate. Interest will be payable on the Nominal Amount in respect of each successive Interest Period (as defined below) from the Issue Date to the Maturity Date, the Call Option Redemption Date, or the Put Option Redemption Date (as the case may be) only, in arrear on the relevant Interest Payment Date.

As used in this Global Note:

"ESTR Floating Rate" means, with respect to an Interest Period, the rate determined by the Calculation Agent on the relevant ESTR Interest Determination Date by applying the formula set out in the specified Overnight Rate Compounding Method or Overnight Rate Averaging Method, as applicable, where the Underlying Benchmark is EuroSTR, and the resulting percentage is rounded in accordance with the 2021 ISDA Definitions, but to the nearest percentage point specified for EUR-EuroSTR in the Compounding/Averaging Matrix; and

- (i) the Reset Date was the first day of the relevant Interest Period; and
- (ii) the Designated Maturity was the number of months specified on the face of this Global Note,

provided that where a Temporary Non-Publication Trigger occurs in respect of EUR-EURIBOR, the Temporary Non-Publication Fallback for EUR-EURIBOR set out in the Floating Rate Matrix shall be amended such that the reference to "Calculation Agent Alternative Rate Determination" shall be replaced by "Temporary Non-Publication Fallback - Previous Day's Rate"; and

"**Rate of Interest**" means the rate which is determined in accordance with the relevant provisions of paragraph 13(a), (b), (c) or (d) (as the case may be).

The Amount of Interest payable per Note shall be calculated by applying the Rate of Interest to the Nominal Amount, multiplying such product by the applicable Floating Rate Day Count Fraction in respect of the relevant Floating Rate Option specified in the Floating Rate Matrix or, if the Floating Rate Option is EUR-EURIBOR, by the actual number of days in the Interest Period concerned divided by 360 and rounding the resulting figure to the nearest amount of the Specified Currency which is available as legal tender in the country or countries (in the case of the euro) of the Specified Currency (with halves being rounded upwards);

- (g) The period beginning on (and including) the Issue Date and ending on (but excluding) the first Interest Payment Date and each successive period beginning on (and including) an Interest Payment Date and ending on (but excluding) the next succeeding Interest Payment Date is called an "**Interest Period**" for the purposes of this paragraph 13; and

In order to exercise the option, the holder of this Note must within the Put Option Notice Period specified above deposit with the Issuing and Paying Agent this Note and

a duly completed put option notice (a "**Put Option Notice**") in the form obtainable from the Issuing and Paying Agent. The Issuing and Paying Agent shall deliver a duly completed put option receipt to the depositing holder. No Note, once deposited with a duly completed Put Option Notice in accordance with this paragraph 6, may be withdrawn; provided, however, that if, prior to the relevant Put Option Redemption Date, any such Note becomes immediately due and payable or, upon due presentation of this Note on the relevant Put Option Redemption Date, payment of the redemption moneys is improperly withheld or refused, the Issuing and Paying Agent shall mail notification thereof to the depositing holder at such address as may have been given by such holder in the relevant Put Option Notice and shall hold this Note at its specified office for collection by the depositing holder against surrender of the relevant put option receipt. For so long as any outstanding Note is held by the Issuing and Paying Agent in accordance with this paragraph 6, the depositing holder and not the Issuing and Paying Agent shall be deemed to be the holder of this Note for all purposes.

7. This Note is negotiable and, accordingly, title hereto shall pass by delivery and the bearer shall be treated as being absolutely entitled to receive payment upon due presentation hereof free (notwithstanding any notation of ownership or other writing thereon or notice of any previous loss or theft thereof) and clear of any equity, set-off or counterclaim on the part of the Issuer against any previous bearer hereof.
8. If this is an interest bearing Note, then:
 - (a) notwithstanding the provisions of paragraph 1 above, if any payment of interest in respect of this Note falling due for payment prior to the Maturity Date, the Call Option Redemption Date, or the Put Option Redemption Date (as the case may be) remains unpaid on the fifteenth day after falling so due, the Nominal Amount shall be payable on such fifteenth day;
 - (b) upon each payment of interest (if any) prior to the Maturity Date, the Call Option Redemption Date, or the Put Option Redemption Date (as the case may be) in respect of this Note, the Schedule hereto shall be duly completed by the Agent to reflect such payment; and
 - (c) if no Interest Payment Dates are specified on this Note, the Interest Payment Date shall be the Maturity Date, the Call Option Redemption Date, or the Put Option Redemption Date (as the case may be).
9. If this is a fixed rate interest bearing Note, interest shall be calculated on the Nominal Amount as follows:
 - (a) interest shall be payable on the Nominal Amount in respect of each successive Interest Period (as defined below) from the Issue Date to the Maturity Date, the Call Option Redemption Date, or the Put Option Redemption Date (as the case may be) only, in arrears on the relevant Interest Payment Date, on the basis of the actual number of days in such Interest Period and a year of 360 days at the Fixed Interest Rate with the resulting figure being rounded to the nearest amount of the Specified Currency which is available as legal tender in the country or countries (in the case of the euro) of the Specified Currency (with halves being rounded upwards); and

- (b) the period beginning on (and including) the Issue Date and ending on (but excluding) the first Interest Payment Date and each successive period beginning on (and including) an Interest Payment Date and ending on (but excluding) the next succeeding Interest Payment Date is an "**Interest Period**" for the purposes of this paragraph.
10. If this is a floating rate interest bearing Note, interest shall be calculated on the Nominal Amount as follows:
- (a) in the case of a Note which specifies USD-SOFR as the Floating Rate Option on its face the Rate of Interest will be the aggregate of the SOFR Floating Rate and the Margin (if any) above or below the SOFR Floating Rate. Interest will be payable on the Nominal Amount in respect of each successive Interest Period (as defined below) from the Issue Date to the Maturity Date, the Call Option Redemption Date, or the Put Option Redemption Date (as the case may be) only, in arrear on the relevant Interest Payment Date.

As used in this Note:

"SOFR Floating Rate" means, with respect to an Interest Period, the rate determined by the Calculation Agent on the relevant SOFR Interest Determination Date by applying the formula set out in the specified Overnight Rate Compounding Method or Overnight Rate Averaging Method, as applicable, where the Underlying Benchmark is SOFR, and the resulting percentage is rounded, if necessary, in accordance with the 2021 ISDA Definitions, but to the nearest percentage point specified for USD-SOFR in the Compounding/Averaging Matrix;

"SOFR Interest Determination Date" means the number of Applicable Business Days, Observation Period Shift Business Days or Lockout Period Business Days, as applicable, as specified on the face of this Note prior to the last day of the Interest Period;

- (b) in the case of a Note which specifies EUR-EuroSTR as the Floating Rate Option on its face the Rate of Interest will be the aggregate of the ESTR Floating Rate and the Margin (if any) above or below the ESTR Floating Rate. Interest will be payable on the Nominal Amount in respect of each successive Interest Period (as defined below) from the Issue Date to the Maturity Date, the Call Option Redemption Date, or the Put Option Redemption Date (as the case may be) only, in arrear on the relevant Interest Payment Date.

As used in this Note:

"ESTR Floating Rate" means, with respect to an Interest Period, the rate determined by the Calculation Agent on the relevant ESTR Interest Determination Date by applying the formula set out in the specified Overnight Rate Compounding Method or Overnight Rate Averaging Method, as applicable, where the Underlying Benchmark is EuroSTR, and the resulting percentage is rounded in accordance with the 2021 ISDA Definitions, but to the nearest percentage point specified for EUR-EuroSTR in the Compounding/Averaging Matrix; and

"ESTR Interest Determination Date" means the number of Applicable Business Days, Observation Period Shift Business Days or Lockout Period Business Days, as applicable, as specified on the face of this Note prior to the last day of the Interest Period;

- (c) in the case of a Note which specifies EURIBOR as the Floating Rate Option on its face, the Rate of Interest will be the aggregate of EURIBOR and the Margin (if any) above or below EURIBOR. Interest will be payable on the Nominal Amount in respect of each successive Interest Period (as defined below) from the Issue Date to the Maturity Date, the Call Option Redemption Date, or the Put Option Redemption Date (as the case may be) only, in arrears on the relevant Interest Payment Date.

As used in this Note:

"EURIBOR" shall be equal to EUR-EURIBOR determined in accordance with the 2021 ISDA Definitions as if:

- (i) the Reset Date was the first day of the relevant Interest Period; and
- (ii) the Designated Maturity was the number of months specified on the face of this Note,

provided that where a Temporary Non-Publication Trigger occurs in respect of EUR-EURIBOR, the Temporary Non-Publication Fallback for EUR-EURIBOR set out in the Floating Rate Matrix shall be amended such that the reference to "Calculation Agent Alternative Rate Determination" shall be replaced by "Temporary Non-Publication Fallback - Previous Day's Rate"; and

"EURIBOR Interest Determination Date" means the Fixing Day;

- (d) the Calculation Agent will as soon as practicable on each SOFR Interest Determination Date, ESTR Interest Determination Date or EURIBOR Interest Determination Date (as the case may be), determine the Rate of Interest and calculate the amount of interest payable (the "**Amount of Interest**") for the relevant Interest Period.

"Rate of Interest" means the rate which is determined in accordance with the relevant provisions of paragraph 13(a), (b) or (c) (as the case may be).

The Amount of Interest payable per Note shall be calculated by applying the Rate of Interest to the Nominal Amount, multiplying such product by the applicable Floating Rate Day Count Fraction in respect of the relevant Floating Rate Option specified in the Floating Rate Matrix or, if the Floating Rate Option is EUR-EURIBOR, by the actual number of days in the Interest Period concerned divided by 360 and rounding the resulting figure to the nearest amount of the Specified Currency which is available as legal tender in the country or countries (in the case of the euro) of the Specified Currency (with halves being rounded upwards);

- (e) should the Rate of Interest be equal to zero or be a negative number in respect of an Interest Period, then no Amount of Interest shall be due by the Issuer and payable to the bearer of this Note in respect of that Interest Period;
- (f) the period beginning on (and including) the Issue Date and ending on (but excluding) the first Interest Payment Date and each successive period beginning on (and including) an Interest Payment Date and ending on (but excluding) the next succeeding Interest Payment Date is called an "**Interest Period**" for the purposes of this paragraph 13; and
- (g) the Issuer will procure that a notice specifying the Rate of Interest payable in respect of each Interest Period be published in accordance with paragraph 14 as soon as practicable after the determination of the Rate of Interest.

As used in this Note:

"2021 ISDA Definitions" means the version of the 2021 ISDA Interest Rate Derivative Definitions, including each Matrix (and any successor matrix), as published by the International Swaps and Derivatives Association, Inc. (or any successor) on its website (www.isda.org) as at the Issue Date *provided that* (i) references to a "Confirmation" in the 2021 ISDA Definitions should instead be read as references to this Note; (ii) references to a "Calculation Period" in the 2021 ISDA Definitions should instead be read as references to an "Interest Period" and (iii) the "Administrator/Benchmark Event" in the 2021 ISDA Definitions shall be disappplied.

Capitalised terms used but not otherwise defined in this Note shall bear the meaning ascribed to them in the 2021 ISDA Definitions.

- 11. Notices to holders will be delivered to the bearer of this Note or, if that is not practicable, will be published in a leading English language daily newspaper published in London (which is expected to be the *Financial Times*). Any such notice shall be deemed to have been given on the date of such delivery or publication.
- 12. The determination of a Rate of Interest and/or Amount of Interest by the Calculation Agent for any Interest Period pursuant to paragraph 14 shall (in the absence of manifest error) be final and binding upon the Issuer and the bearer of this Note.
- 13. Instructions for payment must be received at the offices of the Agent referred to above together with this Note as follows:

 - (b) *Appropriate Forum*: The Issuer and the bearer of this Note agrees that the English courts are the most appropriate and convenient courts to settle any such dispute and accordingly that it will not argue to the contrary.

To the extent allowed by law, the bearer may take concurrent Proceedings in any number of jurisdictions.
 - (d) *Service of Process*: The Issuer agrees that the documents which start any Proceedings and any other documents required to be served in relation to those Proceedings may be served on it by being delivered to Law Debenture Corporate Services Limited at Fifth Floor, 100 Wood Street, London EC2V 7EX, United Kingdom or, if different, its registered office for the time being or at any address of the Issuer in Great Britain at which process may be served on it in accordance with the Companies Act 2006. If such person is not or ceases to be effectively appointed to accept service of process on behalf of the Issuer, the Issuer shall, on the written demand of any bearer addressed and delivered to the Issuer or to the Specified Office of the Fiscal Agent appoint a further person in England to accept service of process on its behalf and, failing such appointment within 15 days, any bearer shall be entitled to appoint such a person by written notice addressed to the Issuer and delivered to the Issuer or to the Specified Office of the Fiscal Agent.
